Report of City Clerk

Second Reading Ordinance 7 – 2020 – 2021 Budget

Council had discussion regarding items in the proposed budget. There are several line items that have become general expense accounts with too many items being posted in them. It is the goal for this coming year to break those accounts down into separate expense accounts for a better determination of expenses.

There was then discussion to try to reduce the amount the City applies for the Tax Anticipation Note. The City should attempt to build a surplus to reduce the amount applied for.

Discussion then turned to the annual Library subsidy and the attempt to lower the annual City payment and increase monies from other sources to cover their costs.

It was recommended and so moved by Councilman Kulak, seconded by Councilwoman Williams, Ordinance 7 – 2020 – 2021 Budget be adopted, and the same was agreed to by the following Yea and Nay vote to the call of the roll by the Clerk:
